

## Hustle Classes

The name 'Hustle' was originally a Line dance of the same name. The 'couples dance' that was to later steal the name when the movie "Saturday Night Fever " hit the scene was a mixture of Latin and Swing, mixed to the new modern Disco beat. Through the last 25 years, the dance has evolved and is still popular for fast, contemporary music.

Here is a short sample of what you will learn by taking these group hustle classes.
